

Who We Are

Founded in 2002, Jinan Shenglin has grown up to a leading supplier of nutraceutical raw material in China. We specialize in producing high quality functional ingredients according to personalized demands of our clients.

With more than 20 years of expertise, Jinan Shenglin has become a trustworthy partner and serves customers worldwide, particularly in Europe, Japan, Southeast Asia, etc.

Quality is our top priority. In order to assure tractability and stable quality of the product, we established a completed certification system and successfully obtain HALAL, FSSC 22000 and GMP certificates. Meanwhile, our products comply fully with EP8.0, USP43 and Chinese Pharmacopoeia. 100% made from natural ingredients and without any chemical additives are what we followed during production. Any enquiry welcome to contact us at any time.

- a) Founded in **China**, 2002.
- b) Leading Manufacturer & Supplier of:
 - Chondroitin Sulfate
 - Glucosamine
 - Hyaluronic Acid
- c) Own in house **factory** , R&D Center.
- d) Annual Production Capacity is **150 tons**.
- e) Expand to **20+** countries and regions.

LIST OF PRODUCTS

Chondroitin Sulfate

- Shark origin
- Marine origin
- Bovine origin
- Avian origin

Glucosamine

- Glucosamine Hydrochloride
- Glucosamine Sulfate Potassium Chloride
- Glucosamine Sulfate Sodium Chloride

Hyaluronic Acid

- Food Grade
- Topical | Cosmetic Grade

FEATURED PRODUCTS

Chondroitin Sulfate

A natural ingredient that can protect you joint.

Chondroitin sulfate is widely applied for neuropathic pain, nerve migraine headaches, joint pain and arthritis.

- As a natural substance extracted from animal origins, more and more clinical trials demonstrate that Chondroitin Sulfate can reduce joint pain, relieve inflammation and improve mobility caused by arthritis effectively.
- Latest studies also show that it can reduce the need for knee prosthesis implants.
- What's more, CS is widely applied for nerve migraine headaches and neuropathic pain.
- Jinan Shenglin provides customized chondroitin sulfate according to various requirements of consumers, including pills, tablets, and capsules.

QUALITY CERTIFICATIONS

WE PROMISE

For our products, we can guarantee 100%:

Traceability, Availability and Consistency

Authenticity for Origin (Specific Rotation, FTIR, E-HPLC, MW)

Accuracy for Assay & Content (CPC, E-HPLC, GEL-electrophoresis)

Non-irradiation Cert. (PSL)

Non-GMO (SGS)

Non-Strong Oxidant (H₂O₂)

MANUFACTURING CAPABILITIES

We build up first-class production and purification workshop complying with GMP standards, which is equipped with advanced production facilities and equipments so that we can assure the quality of our products up to standard.

" GMP standard workshop ensures the reliable quality of our products."

TESTING LEVEL&ABILITY

•We build up a stringent and comprehensive quality control system, which is based on FSSC22000 (ISO and HACCP) requirements.

•Every batch of finished products and every batch of related raw materials have their entire traceability.

•The advanced test equipments are used to test every parameter according to USP and EP.

•Equipping with in-house lab,we are able to conduct related tests independently as required by our clients.
